

Mock Interviews

Mock Interviews – roughly 3hours (including a 20min break)

- 2 interviews going on simultaneously in one large room depending on numbers.
- Each to last 20- 25minutes
- 15- 20 minutes of questions with 5- 10 minutes feedback.
- There will be a 15 min break during the afternoon.
- The interview questions are based on real questions from a retail CSA interview.
- Treat it like a real interview and use the 0-3 scoring system as well as making a few constructive notes. The forms will be given to the form tutors at the end of the day to help with further improvements.
- You will be given a timetable as bellow for the interviews on the day so you know which student to expect at which time.

Example structure of time table:
